

Dear sir or madame,

I am writing to express my concern that the expansion of LPFM will eliminate many FM translators that are so valued. I listen to several FM translators daily including K-love and CSN INternational. These are critical for our communities, providing suicide prevention and other positive messages. The loss of these programs would be a devastating loss to those who listen on a daily basis, those who are home-bound with illness and the lonely. I ask that you would not expand the LPFM so that the current FM translators may remain.

Thank you,
Matt Mittman
